Re: Face-to-Facebook Matter  
Our Matter: 30625-0001001

Dear Mr. ██████████:

It has come to our attention that Facebook Legal has contacted our clients directly, asserting trademark rights against the domain name "face-to-facebook.net." While we would strongly dispute any such claim, our immediate concern is that our clients are represented by counsel and should not have been contacted by Facebook Legal directly. Please confirm that Facebook will not attempt to contact our clients directly again. If there are trademark issues that Facebook would like to discuss, please direct any such concerns to us.

Very truly yours,
